

# AVIATION FUEL QUALITY CONTROL CONSUMABLES

## Principal Consumables

Category	Description	Part Number
Principal Consumables	Water Detector Capsules	0902000110
Principal Consumables	Syringe, 5ml Nylon, reusable, for use with water detector capsules	0902000120
Principal Consumables	Water finding paper, 140mm x 10mm, 200 strips	0902000130
Principal Consumables	Water finding paste, Kolor Kut	0905003908
Principal Consumables	Single test membranes, Colourmetric contamination testing, complete with support pads, GTP1983	6002198300
Principal Consumables	Plastic monitors, non castellated, loaded with single membranes for Colourmetric testing and support pads, GTP1985	6002198500
Principal Consumables	Plastic monitors, non castellated, loaded with Matched Weight membranes for Gravimetric testing and support pads, GTP1986	6002198600
Principal Consumables	ASTM colour standards book	6002107401
Principal Consumables	Glass jar, square, 3.5 litre capacity, clear, wide neck, with screw cap and seal	0902000030
Principal Consumables	Wire cage for 3.5 litre glass jar, plastic coated, with carrying handle	0902000040
Principal Consumables	Stainless Steel bucket, 12 litre, with base ring, graduated, with bonding wire and clip	0902000006
Principal Consumables	Sample retention container, 1 litre, cylindrical, Tinplate epoxy lined internally, 2" Trisure closure, IATA approved	0902000050
Principal Consumables	Sample retention container, 5 litre, cylindrical, Tinplate epoxy lined internally, 2" Trisure closure, IATA approved	0902000060
Principal Consumables	Hydrometer, BS718 M50SP, 0.775 to 0.825, Jet A1, complete with C of C	0902000090
Principal Consumables	Hydrometer, BS718 M50SP, 0.700 to 0.750, Avgas, complete with C of C	0902000091
Principal Consumables	Hydrometer jar, glass, with pouring spout, 65mm diameter by 350mm long	0902000099
Principal Consumables	Thermometer ASTM12C/ IP64C, minus 20 to plus 102 degC, blue spirit filled (non hazardous), complete with C of C	0902000080A
Principal Consumables	Bonding cable, Copper core, clear PVC cover	0100212001
Principal Consumables	Bonding cable, Copper core, high visibility green transparent PVC cover	0100212005
Principal Consumables	Bonding clip, Raco 70mm, Brass with insulated grips	0100213001
Principal Consumables	Electric deadman handswitch, no cable	0100400010
Principal Consumables	Deadman switch replacement Reed switch element	0100400011
Principal Consumables	Coiled suzie cable (approx. 14m fully extended)	0100400100
Principal Consumables	Niphan 2 pin plug (with strain relief gland fitted)	0100400311

## Full Product List

Category	Description	Part Number
Fuel Testing	Water Detector Capsules	0902000110
Fuel Testing	Syringe, 5ml Nylon, reusable, for use with water detector capsules	0902000120
Fuel Testing	Syringe, 5ml PE, no internal seal, for use with water detector capsules	0902000125
Fuel Testing	Syringe, 5ml Nylon, reusable, reverse action (one handed operation) for use with water detector capsules	0902000127
Fuel Testing	Water finding paper, 3/8" wide by 5.1/2" long	0902000130
Fuel Testing	Water finding paste, Kolor Kut	0905003908
Fuel Testing	Fuel finding ( Ullage ) paste, Kolor Kut	0905013221
Fuel Testing	ECHA MicrobMonitor2®	0901000020

Category	Description	Part Number
Fuel Contamination Monitoring	Single test membranes, Colourmetric contamination testing, complete with support pads, GTP1983	6002198300
Fuel Contamination Monitoring	Matched weight membrane pairs, Gravimetric contamination testing, GTP1984	6002198400
Fuel Contamination Monitoring	Plastic monitors, non castellated, loaded with single membranes for Colourmetric testing and support pads, GTP1985	6002198500
Fuel Contamination Monitoring	Plastic monitors, non castellated, loaded with matched weight membranes for Gravimetric testing and support pads, GTP1986	6002198600
Fuel Contamination Monitoring	ASTM colour standards book	6002107401
Fuel Contamination Monitoring	Tweezers, membrane handling, locking	6002209900
Fuel Contamination Monitoring	Contamination test kit, Mini Monitor, Gammon	6002017200
Fuel Contamination Monitoring	Contamination test kit, Multi Mini monitor, Gammon	6002117200
Fuel Contamination Monitoring	10 litre sampling bottle. graduated, bonded	08PP18569

Category	Description	Part Number
Fuel Sampling	Glass jar, square, 3.5 litre capacity, clear, wide neck, with screw cap and seal	0902000030
Fuel Sampling	Replacement screw cap with seal for 3.5 litre glass jar	0902000035
Fuel Sampling	Wire cage for 3.5 litre glass jar, plastic coated, with carrying handle	0902000040
Fuel Sampling	Wipes, 240mm X 420mm	0902000032
Fuel Sampling	Stainless Steel bucket, 8 litre, low profile, no base ring, ungraduated, no bonding wire and clip	0902000001
Fuel Sampling	Stainless Steel bucket, 8 litre, low profile, no base ring, ungraduated, with bonding wire and clip	0902000002
Fuel Sampling	Stainless Steel bucket, 10 litre, with base ring, graduated, no bonding wire and clip	0902000003
Fuel Sampling	Stainless Steel bucket, 10 litre, with base ring, graduated, with bonding wire and clip	0902000004
Fuel Sampling	Stainless Steel bucket, 12 litre, with base ring, graduated, no bonding wire and clip	0902000005
Fuel Sampling	Stainless Steel bucket, 12 litre, with base ring, graduated, with bonding wire and clip	0902000006
Fuel Sampling	Stainless Steel bucket, 15 litre, with base ring, graduated, no bonding wire and clip	0902000009
Fuel Sampling	Stainless Steel bucket, 15 litre, with base ring, graduated, with bonding wire and clip	0902000010
Fuel Sampling	Funnel 10" diameter, Stainless Steel, no bonding wire and clip	0902000013
Fuel Sampling	Funnel bonding wire and clip, supplied loose ready to fit	0902000014
Fuel Sampling	Jug, 2 litre, Stainless Steel graduated	0902000068
Fuel Sampling	Sample retention container, 1 litre, cylindrical, Tinplate epoxy lined internally, 2" Trisure closure, IATA approved	0902000050
Fuel Sampling	Sample retention container, 5 litre, cylindrical, Tinplate epoxy lined internally, 2" Trisure closure, 181mm diameter by 258mm high, IATA approved	0902000058
Fuel Sampling	Sample retention container, 5 litre, cylindrical, Tinplate epoxy lined internally, 2" Trisure closure, IATA approved	0902000060
Fuel Sampling	Transit carton to suit 5 litre cylindrical IATA container	0902000061
Fuel Sampling	Vermiculite absorbent loose fill packing for fuel sample containers	0902000062
Fuel Sampling	Sample retention container, 2.5 litre, Tinplate, unlined internally, single trip only, with wire sealable screw cap and carrying handle	0902000065
Fuel Sampling	Sample retention container, 5 litre, Tinplate, epoxy lined internally, single trip only, with wire sealable screw cap and carrying handle	0902000066

Category	Description	Part Number
Tank Sampling	Tank sample thief, weighted, Stainless Steel, 1 litre capacity, with-out rope	0902000070
Tank Sampling	Rope for tank sample thief	0902000071
Tank Sampling	Bacon bomb tank bottom sampler, 16oz	6002TL3573
Tank Sampling	Tank dip tape, Carbon Steel, 10 metre, IPM pattern, complete with weight and winding frame	0902000075
Tank Sampling	Tank dip tape, Carbon Steel, 15 metre, IPM pattern, complete with weight and winding frame	0902000076
Tank Sampling	Tank dip tape, Carbon Steel, 20 metre, IPM pattern, complete with weight and winding frame	0902000077
Tank Sampling	Tank dip tape, Carbon Steel, 25 metre, IPM pattern, complete with weight and winding frame	0902000078

Category	Description	Part Number
Seals, Sealing Wire and Pliers	Sealing wire, fine, galvanised Steel, on a plastic bobbin	0902000300
Seals, Sealing Wire and Pliers	Sealing wire, medium, galvanised Steel, on a plastic bobbin	0902000310
Seals, Sealing Wire and Pliers	Sealing wire, medium, Copper, on a plastic bobbin	0902000315
Seals, Sealing Wire and Pliers	Sealing wire, fine, galvanised Steel, 20cm long cut lengths	0902000320
Seals, Sealing Wire and Pliers	Sealing wire, fine, galvanised Steel, 40cm long cut lengths	0902000322
Seals, Sealing Wire and Pliers	Lead seal, 10mm diameter, parallel hole	0902000210
Seals, Sealing Wire and Pliers	Lead seal, 11mm diameter, cross hole	0902000211
Seals, Sealing Wire and Pliers	Lead seal, 12mm diameter, parallel hole	0902000220
Seals, Sealing Wire and Pliers	Lead seal, 14mm diameter, parallel hole	0902000230
Seals, Sealing Wire and Pliers	Plastic seal, yellow, 10mm diameter, parallel hole	0902000270
Seals, Sealing Wire and Pliers	Plastic seal, Griptie, with integral tie and numbered tag	0902000260
Seals, Sealing Wire and Pliers	Sealing pliers, plain dies, to suit 10mm and 12mm diameter seals	0902000360
Seals, Sealing Wire and Pliers	Sealing pliers, plain dies, to suit 11mm and 14mm diameter seals	0902000380
Seals, Sealing Wire and Pliers	Locking wire, annealed Stainless Steel, 0.71mm diameter, to lock quick disconnect screws	0902000330
Seals, Sealing Wire and Pliers	Locking wire twisting pliers	0902000350

<b>Category</b>	<b>Description</b>	<b>Part Number</b>
<b>Hydrometers and Thermometers</b>	Hydrometer, BS718 M50SP, 0.775 to 0.825, Jet A1, complete with C of C	0902000090
<b>Hydrometers and Thermometers</b>	Hydrometer, BS718 M50SP, 0.700 to 0.750, Avgas, complete with C of C	0902000091
<b>Hydrometers and Thermometers</b>	Hydrometer, BS718 M50SP, 0.750 to 0.800, complete with C of C	0902000092
<b>Hydrometers and Thermometers</b>	Hydrometer, BS718 M50SP, 0.800 to 0.850, complete with C of C	0902000093
<b>Hydrometers and Thermometers</b>	Hydrometer, BS718 M50SP, 0.850 to 0.900, complete with C of C	0902000094
<b>Hydrometers and Thermometers</b>	Hydrometer jar, glass, with pouring spout, 65mm diameter by 350mm long	0902000099
<b>Hydrometers and Thermometers</b>	Hydrometer jar, plastic, with pouring spout, 55mm diameter by 345mm long	0902000098
<b>Hydrometers and Thermometers</b>	Hydrometer jar, plastic, with overspill cup, 43mm diameter by 385mm long, GTP1073	6002107300
<b>Hydrometers and Thermometers</b>	Thermometer ASTM12C/ IP64C, minus 20 to plus 102 degC, blue spirit filled (non hazardous), complete with C of C	0902000080A
<b>Hydrometers and Thermometers</b>	Thermometer IP53C, 0 to plus 80 degC, blue spirit filled (non hazardous), complete with C of C	0902000100A
<b>Hydrometers and Thermometers</b>	Thermometer IP49C, minus 15 to plus 40 degC, blue spirit filled (non hazardous), complete with C of C	0902000081A
<b>Hydrometers and Thermometers</b>	Protective sheath to suit ASTM12C/IP64C thermometer, Aluminium	0902000085A
<b>Hydrometers and Thermometers</b>	Protective sheath to suit IP49C thermometer, Aluminium	0902000086A
<b>Density Calculator</b>	Density correction calculator disc, suitable for JET A1 and Avgas	60022727EF

Category	Description	Part Number
Signs, Decals and Labels	Filter inspection label self adhesive	0906000018
Signs, Decals and Labels	Number set for filter inspection label	0906000019
Signs, Decals and Labels	Fuel retention sample label with eyelet	0906000012
Signs, Decals and Labels	Low point water purge label, white on blue, 248mm x 96mm, self adhesive	0906000013
Signs, Decals and Labels	Tank inspection /cleaning label set, 600mm x 390mm, self adhesive, c/w self adhesive numbers	0906000015
Signs, Decals and Labels	Grade label, Avgas 100LL, 115mm x 41mm, self adhesive	0906000028
Signs, Decals and Labels	Grade label, Avgas 100LL, 250mm x 89mm, self adhesive	0906000020
Signs, Decals and Labels	Grade label, Avgas 100LL, 600mm x 200mm, self adhesive	0906000042
Signs, Decals and Labels	Grade label, JET A1, 115mm by 41mm, self adhesive	0906000027
Signs, Decals and Labels	Grade label, JET A1, 250mm x 89mm, self adhesive	0906000030
Signs, Decals and Labels	Label, FSII, 89mm high, self adhesive	0906000029
Signs, Decals and Labels	Label AL48, 89mm high, self adhesive	0906000031
Signs, Decals and Labels	Grade label, Jet A1, 600mm x 200mm, self adhesive	0906000040
Signs, Decals and Labels	Label, FSII, 200mm high, self adhesive	0906000035
Signs, Decals and Labels	Label AL48, 200mm high, self adhesive	0906000032
Signs, Decals and Labels	Wing decal, Jet A1, 75mm x 65mm, self adhesive	0906000033
Signs, Decals and Labels	Wing decal, Avgas, 75mm x 65mm, self adhesive	0906000034
Signs, Decals and Labels	Hose marking/flow direction tape, Avgas, 25mm wide x 33m roll, self adhesive	0906000049
Signs, Decals and Labels	Hose marking/flow direction tape, JET A1, 25mm wide x 33m roll, self adhesive	0906000050
Signs, Decals and Labels	Pipe banding tape, black, self adhesive, 50mm wide x 33m Roll	0906000080
Signs, Decals and Labels	Pipe banding tape, white, self adhesive, 50mm wide x 33m Roll	0906000081
Signs, Decals and Labels	Hazchem label, reflective, self adhesive, JET A1, 3Y1863	0906000041
Signs, Decals and Labels	Hazchem label, reflective, self adhesive, Avgas, 3YE1203	0906000051
Signs, Decals and Labels	Fuelling in progress label, red on white 270mm x 150mm, self adhesive	0906000044
Signs, Decals and Labels	Pipe flow direction arrow, black on white, 89mm x 183mm, self adhesive	0906000025
Signs, Decals and Labels	Emergency stop label, white on red, 138mm x 60mm, self adhesive	0906000045
Signs, Decals and Labels	Engine stop decal, red on white, 90mm x 60mm, self adhesive	0906000046
Signs, Decals and Labels	Flammable liquid diamond label, white/red, 200mm, self adhesive	0906000070

Category	Description	Part Number
Bonding and Earthing	Aljac Continuity Tester	0100400180
Bonding and Earthing	Bonding cable, Copper core, clear PVC cover	0100212001
Bonding and Earthing	Bonding cable, Copper core, high visibility green transparent PVC	0100212005
Bonding and Earthing	Bonding clip, Raco 70mm, Brass with insulated grips	0100213001
Bonding and Earthing	Bonding clip, Raco 140mm, Brass with insulated grips	0100213020
Bonding and Earthing	Bonding clip, Superclip, Brass 170mm long	0100213018
Bonding and Earthing	Bonding clip, Superclip 170mm, Brass with insulated grips fitted with	0100213017
Bonding and Earthing	Bonding plug, Stainless Steel, NATO standard	0100213004
Bonding and Earthing	Bonding reel, hand rewind, 15 metre capacity, no cable included	0100211004
Bonding and Earthing	Bonding reel, hand rewind, 40 metre capacity, no cable included	0100211010
Bonding and Earthing	Bonding lug, 1/2" diameter Brass	0100213003

Category	Description	Part Number
Deadman Accessories	Electric deadman handswitch, no cable	0100400010
Deadman Accessories	Deadman switch replacement Reed switch element	0100400011
Deadman Accessories	Coiled suzie cable (approx. 14m fully extended)	0100400100
Deadman Accessories	Coiled suzie cable (approx. 5m fully extended)	0100400103
Deadman Accessories	Coiled suzie cable (approx. 22m fully extended)	0100400102
Deadman Accessories	Niphan 2 pin plug (with strain relief gland fitted)	0100400311
Deadman Accessories	Niphan 2 pin flanged socket	0100400320

Category	Description	Part Number
Hose Covers, Dust Caps, Protection Rings, Wing Mats	Pit flag, orange with reflective cross	5100000300
Hose Covers, Dust Caps, Protection Rings, Wing Mats	Intake hose cover, reflective, high visibility, to suit 4" hose	5100000250
Hose Covers, Dust Caps, Protection Rings, Wing Mats	Reflective cover for 2 inch hose	5100000350
Hose Covers, Dust Caps, Protection Rings, Wing Mats	Reflective cover for 2.1/2 inch hose	5100000400
Hose Covers, Dust Caps, Protection Rings, Wing Mats	Grade identification hose sleeve, JET A1, to suit 1.1/2" hose	5100000010
Hose Covers, Dust Caps, Protection Rings, Wing Mats	Grade identification hose sleeve, Avgas, to suit 1" hose	5100000005
Hose Covers, Dust Caps, Protection Rings, Wing Mats	Dust cap to suit bottom loading adapter (3 lug ISO45), black Urethane	56DC2.5/30
Hose Covers, Dust Caps, Protection Rings, Wing Mats	Dust cap to suit Meggitt/Whittaker pressure refuelling nozzle, red Urethane	56SPR-T000
Hose Covers, Dust Caps, Protection Rings, Wing Mats	Wing protection mat for overwing refuelling, 18" by 24", orange Urethane	56AFP-1824
Hose Covers, Dust Caps, Protection Rings, Wing Mats	Wing protection mat for overwing refuelling, 18" by 24", red Urethane	56AFP-1824R
Hose Covers, Dust Caps, Protection Rings, Wing Mats	Wing protection mat for overwing refuelling, 18" by 24", black Urethane,	56AFP-1824B
Hose Covers, Dust Caps, Protection Rings, Wing Mats	Wing protection mat for overwing refuelling, 18" by 36", orange Urethane	56AFP-1836
Hose Covers, Dust Caps, Protection Rings, Wing Mats	Wing protection mat for overwing refuelling, 18" by 36", red Urethane	56AFP-1836R
Hose Covers, Dust Caps, Protection Rings, Wing Mats	Wing protection mat for overwing refuelling, 18" by 36", black Urethane	56AFP-1836B
Category	Description	Part Number
General Equipment	Hose pressure test pump cw pressure gauge, Rigid	0905000010
General Equipment	Emcee 1152 conductivity meter	0902000400
General Equipment	Fuelling adapter wear gauge GTP-8963	6002896300
General Equipment	Disposable Nitrile gloves, large	81NIT0009
General Equipment	Disposable Gloves, Xlarge	81NIT10010
General Equipment	Hose protection bead, two piece type, 1.1/2"	15HB001038
General Equipment	Hose protection bead EI 1522, clip type, 2"	15HB002050
General Equipment	Hose protection bead EI 1522, clip type, 2.1/2"	15HB002063
General Equipment	Oil absorbent pads, 50cm x 40cm x 3mm	530OPL4843
